SEASONAL MINI ALLERGY PANEL

Collected on Sep 30, 2025 2:28 PM

If you have questions or concerns regarding your test results,
contact the clinician who ordered the test.

Hi Jennifer,

I am still awaiting the final results of your allergy panel
however for the remaining panels it does note increased
levels of antibodies to grasses / shell fish / foods. Do
you currently have an allergist or would like to be
referred to one in the Sutter system?

Best,
Kevin Correa, MD
